Testimonials

I highly recommend the Executive Degree in Digital Marketing and Analytics to those who are still undecided. I personally find it to be a very good course that offers great value for money for the knowledge that I have obtained. With the high demand for digital marketers, I am confident that this course will help those who are embarking on this journey.

I am very happy that I made the decision to take up this course and wish to thank all my trainers and SEGi College Subang Jaya for making it all possible.

Nelson Lim

Sales & Marketing Executive | HAS Industry Pte Ltd, Singapore

What I am most grateful for is the wealth of information that I have learnt that has enabled me to start from scratch up till the strategisation and implementation of a digital marketing campaign.

On top of the very informative materials, strategies and know-how, the hands-on experience has proven to be most invaluable, as it has given me the confidence and knowledge of what needs to be done. This will definitely benefit my career in the long run and I hope to leverage it for my future development too.

Alan Tan

IT Manager | Seng Li Marketing Sdn Bhd

I recently completed the Executive Degree course at the Online Marketing Academy and couldn't be more satisfied with my learning journey. The course equipped me with invaluable skills in Google Ads campaigns and using Analytics for report optimisation. Additionally, I gained comprehensive knowledge in online e-commerce, including website creation and strategies to boost sales.

These practical skills have already proven beneficial for my business, allowing me to effectively drive sales. I am confident in applying what I've learnt to further grow my career. A special thanks to my trainer, Johnson, for his exceptional teaching and patience throughout the course.
